ADDRESS

Baghdad, Iraq

PROFILE

I am a UX/UI designer from Baghdad with a Bachelor's degree in Computer Science. With over three years of experience, I am passionate about creating user-centric digital experiences. My expertise lies in wireframing, prototyping, and conducting user research. My passion lies in crafting visually appealing interfaces that enhance user satisfaction. I continuously seek growth and embrace challenges in design and technology. My ultimate goal is to contribute my skills to innovative projects and make a positive impact in the industry.

EDUCATION

2019-2023

BACHELOR DEGREE

Computer Science / University Of Technology

2013-2019

HIGHSCHOOL DEGREE

Baghdad College Highschool

EXPERIENCE

TEAM LEADER & UX/UI DESIGNER - DIGITAL LOGIC

2022 / Present

In my capacity as a team leader in digital logic, I seamlessly blend leadership with UX/UI design. Overseeing a comprehensive team of 2 frontend developers, 2 backend developers, 1 mobile developer, and 1 project manager, I actively engage in project management. This involves sitting with stakeholders, ensuring collaborative efforts and delivering innovative solutions in our digital endeavors.

UX/UI DESIGNER - AL MURABA FOR INFORMATION TECHNOLOGY

2022

During my time as a UX/UI designer at Al Muraba Information Technology Company, I have been dedicated to delivering exceptional digital experiences. My skills in user research, wireframing, and prototyping have played a pivotal role in creating intuitive interfaces. Working closely with diverse teams, I've consistently produced visually appealing designs that prioritize user needs and expectations.

UX/UI DESIGNER - PROJECT ONE

2021-2020

As a UX/UI designer at Project One Company, my role revolves around conceptualizing and executing seamless user experiences. I conduct thorough user research and create wireframes to map out intuitive interfaces. Collaborating with developers, I ensure the smooth integration of designs into functional products. My dedication to enhancing user satisfaction and adhering to design best practices contributes to the company's mission of delivering cutting-edge digital solutions.
