- Using programming skills to build pages and applications.

Skills in:

Adobe Photoshop - Adobe Illustrator - Adobe Premiere

Education:

Database Technology - Sulaimanya University

Languages:

Kurdish (Fluent)

English (Intermediate)

As an experienced graphic designer, I have assisted clients from all backgrounds and industries to design and implement thoughtful and impactful branding tools to help develop their businesses.

The key lesson I learned through the past years was that the most important step to great design is first understanding why we need it.

Regarding the aspect of cooperation, I believe that my enthusiastic and team-oriented spirit gives me a great sense of communication and collaboration. This allows me to be an effective team player.

Don't be hesitant to drop me a line. I'm always available for setting with you.
