Profile

A dedicated and hardworking individual seeking a job in which I can apply the theories I have obtained during my studies as a Programmer. A very good team player, looking forward to challenging experience in the field of IT in general and Customer Service Related Jobs to improve my communication and selling skills,. Core skills in C# programming language, and SQL Database and my special soft skill is effective Communication.

EDUCATION

2015-2020 Diploma degree in Programming at Computer Institute of Erbil.

Selected Courses: C++, Java, HTML, Computer Hardware, Operating Systems, Cisco Packet Tracer, C#, Microsoft (Word, Excel, power points, access, outlook), and Photoshop.
