

# ABDULKAREEM SAADI

## Profile

Hello,

My name is **Abdulkareem**. I am a senior software engineer studied at Salahaddin University in Erbil, Iraq. Highly motivated and results-oriented professional with a proven track record of success. Possesses excellent communication and problem-solving skills, combined with strong attention to detail. Adaptable and quick to learn new concepts, with a solid ability to work independently and as part of a team. Seeking new challenges to utilize and further enhance skills in a forward-thinking organization, **This CV may show some of my skills, but it can't show my enthusiasm for my career.**

## Education

### ● Software and informatics engineering

Salahaddin university, Erbil | 2018 - 2023

I finished studying at Salahaddin University College of Engineering Software and Informatics Department.

## Experience

### ● HITEX
