Work Experience

May 2015- Feb 2016 Working with SREO (NGO organization)
Oct 2016- May 2019 Academic Math and English Teaching Assistant
Jan 2017- May 2018 Translator (Arabic to English Transcripts translation)

- I have worked with SREO is a NGO organization that work with the humanitarian community and publish reports about the humanitarian conditions of the refugees in south Turkey, Syria and recently in Iraq. My position was a translator and an interviewer.
- I Worked as a translator and an audio scripts writer for a Ph.D. Candidate, Anthropology, Johns Hopkins University. I was translating audio recordings interview of cancer patients in Iraq from Arabic to English. Most of these interviews of people describing the difficulties that they are facing in Iraq from treatments, living status and Iraq's politics. The interview was with people from all around Iraq and some of them were from Iraqi people outside of Iraq.
- I have worked as a teaching assistant Math and English in the American university of Iraq Sulaymaniyah. I was reasonable to teach students who are struggling with academic English and Math to help them understand better. Also organize meetings' schedules between students and other tutors
