EXPERIENCE & PROJECTS

- 2023 - Present**
Procurement and Logistics Officer
Strix Energy, Duhok Office
Experienced Procurement and Logistics Officer adept at optimizing supply chain operations, sourcing contracts, and ensuring timely delivery. Skilled in inventory management, process improvement, and vendor negotiation, resulting in cost savings and operational efficiency.
- 2023**
Advanced management systems
Director of Civil Defense, Duhok,Iraq
I developed the user-friendly, secure management systems. These systems efficiently handled employee management and specific functions, resulting in improved operations.
- 2020 - 2023**
IT manager
Nujeen Oranization, Duhok
IT Department Manager: Responsible for advertising campaigns, an official website, managing devices for the organization, graphic designs and more..
- 2022**
Data Transfer
GIZ Organization, Duhok
Transferring immigrant data from paper records to a computer system
- 2020 - 2021**
Cashier System For Market
POS software used to process customer transactions, accept payments, and update inventory levels for a retail establishment. Depending on the vendor, market owner can choose between on-premise, cloud-based, or hybrid deployment models.
- 2019**
Coach & Teacher
Business Highway / Kurdistan Economic Development Organization (KEDO)
In 4 different courses (SOCIAL MEDIA MANAGEMENT, WEB DESIGN, MOBILE APPLICATION,VIDEO EDITING) more than 120 local students participated in my courses.
- 2022**
Translator
Danish Red Cross, Copenhagen
High quality translation from English into Kurdish-Kurmanji and vice versa
